1956 Editorial Index

and

Index of Authors

Compiled from
Vol. 93, Nos. 1-12
Jan.-Dec. 1956

Here's solid evidence of editorial
classified by subject. Check over these
items of interest to you, refer to any of the
piece, read illustrated articles; then co
editorial quality and quantity with
publications in the field. You'll under
AMERICAN ARTISAN can be the only
ABC publication in the field.

American Artisan

January-December 1956 — Vol. 93, Nos. 1-12

Published monthly by the Keeney Publishing Company, 6 N. Michigan Ave., Chicago 2, Ill.

This index does not include Equipment Developments; New Literature; What the Associations Are Doing; We Hear That; Appointments—departments appearing regularly in each issue. The Editor's Notebook and What's Happening in each issue include items of news, comments on current events, etc. In the January issue a complete directory section was published covering warm air heating, residential air conditioning and sheet metal products.

DOLLARS say AMERICAN ARTISAN is the BEST READ BOOK in...

Residential Air Conditioning • Warm Air Heating • Sheet Metal Contracting

AMERICAN
ARTISAN
Readers of this field-leading book are the KEY dealer-contractors and wholesalers handling 80% of the available business. In no other medium can you reach them "The American Artisan Way." And what is that way? Simply, an outstandingly useful editorial job which attracts and holds PAID subscribers. Every copy is paid for because it's worth it! Here's assurance, backed up by dollars on the line, that American Artisan is wanted, respected, and used. Doesn't it follow that American Artisan is where your advertising effort should be concentrated? Remember, it's the only book in its field that can provide you with a 100% paid circulation.
